Biological Basis of Behavior & Mental Process	PSYC 226 (syllabi submitted)					
General Education Transfer Elective	Select a course from each of the following -General Education Arts (GA), Humanities (GH), and Natural Science (GN) courses from General Education Appendix	9	General Education Arts (GA), Humanities (GH) and Natural Sciences (GN)	See GA, GH and GN on General Education Appendix	9	D
	Total HACC Credits	62-65		Total PSU Credits	62-65	

Penn State requires three credits of International Cultures (IL) and three credits of United States Cultures (US). The two courses that fulfill the IL and US requirements can also be used to fulfill General Education Arts, Humanities or Social Science requirements.

Penn State requires two units in a single world language other than English. A student may be admitted with fewer than two units in a world language other than English, but must correct this deficiency by the time s/he earns 60 credits or graduates from Penn State, whichever comes first. This deficiency may be corrected by passing one three- or four-credit college level world language course or by demonstrating proficiency equivalent to two units of high school world language study.
