Dear Student:

We are pleased that you have included Penn State in your college search!

Although we do not offer on-campus housing, there are an abundance of apartment communities and other private apartments in the area surrounding the Penn State York campus. If you are interested in exploring the many off-campus living options in the York area, we encourage you to take the time to investigate a number of area apartments as part of your campus visit.

**Off-campus Housing Considerations:**

- How much space do I need?
- Do I want or need a roommate?
- How will I get to campus for class each day?
- Do I know how to read the terms of a lease?
- How much am I willing to pay for rent each month?
- What utilities are not included in the rental price?
- Will I be able to study?
- Will I be able to socialize?
- What is the neighborhood like?
- How safe is the apartment and the surrounding community?
- What does the local police department say about safety in the area?
- What do current tenants say about the complex?

Doing your housing homework will help you make an informed decision regarding which off-campus housing option is best suited to meet your needs. If you would like to schedule a visit to Penn State York, please contact the Penn State York Office of Admissions at 717-771-4040 or online at york.psu.edu/admission.

Sincerely,
Scott Simonds
Director of Student Affairs and Engagement
